1. Overview TRIZ-Conference Future 2007

Continuing the history of the recent quite successful Conferences of the European TRIZ-Centrum and ETRIA – European TRIZ Association we will proceed this series in cooperation with the Chamber of Commerce in Frankfurt/Main, Germany. This upcoming conference “TRIZ-Conference Future 2007: Current Scientific and Industrial Reality” will take place from 6th to 8th November. The idea of TRIZ-Conference Future 2007 is to share and exchange the knowledge of scientific & industrial TRIZ-experts worldwide with focus on these topics:

- **TRIZ - Best Practices in Industry, especially SME's**
(case studies; integration & combination with other innovation methodologies)
- **Further Developments of TRIZ: New Methods, Ideas, Approaches**
(new results and findings)
- **Advanced Approaches in TRIZ Education and Training**
(in schools, universities, qualification programs for engineers and managers)

2. Call for Papers

Please submit the abstract (~ 500 words) of your paper indicating the title, a brief current biography and the complete address of the author(s) – **till March 30, 2007** – to the address of the organizing committee.

In order to give more space to networking and discussion it is planned to organize an extended poster session during the whole conference. Kindly inform us if you are interested in presenting your paper also as a poster or only as a poster.

Abstracts will be evaluated by an international group of TRIZ-experts and, if accepted, the authors will be informed about the kind of presentation (oral or poster) and the guidelines for submitting their final papers.

The conference proceedings will be published. Conference language is English.

3. Deadlines / Important Dates

- **March 30, 2007** deadline abstracts
- **April 30, 2007** notification of acceptance call for full paper (or poster)
- **June 30, 2007** deadline full paper

The announcement and flyer with the (draft) conference program will be distributed until end of July 2007.
